STRONG MEDICINE FOR LOUISIANA

Electronic Health Records Educational Seminar

The Louisiana Academy of Family Physicians and the Louisiana Health Care Quality Forum request your attendance at our Electronic Health Records Educational Seminar on Friday, April 23, 2010 at the Crowne Plaza Hotel in Lafayette, Louisiana.

Health care providers and administrative staff are invited to attend. CME credits will be offered. Featured topics include:

- Requirements to achieve “Meaningful Use” and receive incentive payments
- Vendor selection, including questions to ask and other considerations when choosing a model for your practice
- EHR implementation lessons learned from physicians who have already been through the process
- Other areas of change and consideration when converting your practice to Electronic Health Records including: IT services, compliance with legal and regulatory requirements surrounding HIT, and practice workflow redesign. Also discussion of the Regional Extension Center and how it will bring all of these areas under ‘one roof’ to simplify the process for providers.
- The development of the statewide Health Information Exchange (LaHIE)
